

AUDITORIA INTERNA

San José, 3 de agosto de 2016
AI-104-2016

Señor:
Rosendo Pujol M.

Mariam
10:07:33
04 AGO 2016
DESP. MINISTERIAL

Asunto: Informe Ejecutivo AO-CUM-002-2016 Estudio sobre Derechos de Autor en Programas de Cómputo, Decreto Ejecutivo N° 37549 – JP.

Estimado señor:

A efectos de cumplir con el Plan Anual de Labores 2016, la Auditoría realizó un estudio sobre derechos de autor y conexos, en los programas de cómputo propiedad del Ministerio de Vivienda y Asentamientos Humanos (MIVAH), ello en el ámbito del Decreto Ejecutivo N° 37549 – JP “Reglamento para la Protección de los Programas de Cómputo en los Ministerios e Instituciones Adscritas al Gobierno Central”.

Como objetivo general se definió *“Revisar el cumplimiento por parte del MIVAH del Decreto Ejecutivo N°37549 – JP sobre programas de cómputo.”*

El estudio abarcó desde mayo 2015 hasta el 30 de junio del 2016.

De acuerdo con el estudio realizado se deriva que el sistema de control que actualmente emplea el Departamento de Tecnología y Comunicación (DTIC) es razonablemente adecuado; por cuanto, los permisos otorgados a los funcionarios del MIVAH, les impide instalar cualquier tipo de software que no cumpla con los alcances del artículo 8 del Decreto Ejecutivo 37549 – JP¹, ya que solamente algunos funcionarios del DTIC tienen permisos de administradores de la red, lo que implica que solamente ellos tengan dicha opción habilitada; este proceso se realiza con base al protocolo

¹ Artículo 8°—Queda totalmente prohibido la instalación de programas de cómputo que no cuenten con la respectiva licencia de uso legal en ninguna oficina del Gobierno Central e instituciones adscritas. Los programas solamente podrán ser instalados por el experto en informática autorizado o por quien este determine para el buen desempeño de las funciones designadas. Cualquier violación a las normas de derechos de autor por parte de los funcionarios de los Ministerios e Instituciones adscritas al Gobierno Central, se procederá con la apertura del debido proceso con el fin de aplicar la sanción de carácter administrativo disciplinario que corresponda. Artículo 9°—En la etapa de evaluación para la contratación, todas las solicitudes de compra para programas de cómputo, que realicen los diferentes Ministerios e Instituciones adscritas al Gobierno Central, deberán ser consultadas con el experto en informática que se tenga designado en cada institución.

AUDITORIA INTERNA

establecido en el Reglamento de Normas de Uso y Administración de las Tecnologías de Información del MIVAH².

Por tanto, con base en las pruebas selectivas que efectuó la Auditoría y los comentarios del Departamento de Tecnología de Información y Comunicación, en su oficio DVMVAH-DTIC-073-2016 de fecha 26 de julio del 2016, se puede concluir que el proceso de control, custodia e inventariado de las licencias de software; es relativamente satisfactorio y por ende se insta al Departamento de Tecnología de Información y Comunicación a que mantengan sus políticas con respecto a este tema.

Sin otro particular,

Original }
Firmado } *Adolfo Rojas Carrera*

Adolfo Rojas Carrera
Auditor General

CD: Sra. Ana Cristina Trejos M. Vice Ministra
Sra. Liliana Reyes P. Jefe DTIC

² Artículo 20°—Sólo el DTIC estará autorizado a instalar programas con licenciamiento de prueba, software de licenciamiento libre o licencia temporal para efectos de los estudios de investigación o evaluación de los mismos, con el objetivo de determinar su viabilidad técnica de aplicación en los procesos del quehacer Institucional. Artículo 21°—Queda prohibido utilizar software que no haya sido instalado ni autorizado por el DTIC en cualquiera de las computadoras que el MIVAH haya puesto a disposición de los usuarios.
